Speaking

Under the auspices of the Westville Council, No. 1737 Royal Arcanum, Hon. G. Avery and Mr. Bain of Norfolk, delivered interesting addresses to a large audience in the Court House here, on Saturday.

Mr. Avery, the first speaker of the evening, had as his subject Fraternalism. His discussion of this important subject was forcible and comprehensive and his exposition of its close relation with the true brotherhood of man clear and convincing. His address was thoroughly appreciated and enjoyed by his audience.

Mr. Bain in his address dealt more particularly with the workings of the Royal Arcanum and with the good done in the past and being done at present by that organization. His talk was a live one interspersed with anecdotes and reminiscences which provoked his audience to laughter. Both gentlemen left on Monday's boat, for Norfolk.

A Good Position

Can be had by ambitious young men and ladies in the field of Wireless or Railway Telegraphy. Since the 8-hour law became effective, and since the Wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chance of advancement. The National Telegraph Institute operates six official institutes in America, under supervision of R. R. and Wireless officials and places all graduates into position. It will pay you to write them for full details at Cincinnati, O., or Philadelphia, Pa.

Thirty Years Together

Thirty years of association, think of it. How the merit of a good thing stands out in that time, or the worthlessness of a bad one. So there's no guesswork in this evidence of Thos. Ariss, Concord, Mich., who writes: "I have used Dr. Ding's New Discovery for 30 years, and its the best cough and cold cure I ever used." Once it finds entrance in a home you cant pry it out. Many families have used it forty years. Its the most infallible throat and lung medicine on earth. Unequaled for laryngitis, asthma, hay-fever, croup, quinsy or sore lungs. Price 50c, \$1.00. Trial bottle free. Guaranteed by all Druggists.

You are probably aware that pneumonia always results from a cold but you never heard of a cold resulting in pneumonia when Chamberlains Cough Remedy was used. Why take the risk when this remedy may be had for a trifle? For sale by all dealers.

SUSAN

The Rev. Mr. Gowen, of the Westville Diciples church, filled the pulpit of Rev. J. A. Winn, at Beulah and St. Pauls, on last Sunday, preaching at St. Pauls, in the afternoon. He took for his subject The Breadth and Length and Depth and Height of the Love of God, as given in the third chapter of Ephesians. The subject was well handled, and delivered in a full, clear, musical, voice, and with an unusual rapid flow of words. He is well read, an orator, and a broad minded, liberal hearted, christian gentleman. Come again Bro.

Quite a severe shock to the family of Mrs. Nancy J. Hudgins, was the news last week of the drowning of Capt. Arthur Hudgins, of Norfolk. It is supposed that in attempting to spring from the rail of his tug to the wharf in the night he fell in the dock. His body was recovered the next morning. He leaves a widow and one son. He was the son of Franklin and Nancy Hudgins, and brother to Walter E. Letcher M., and Emmett J. Hudgins, all of whom live near Diggs Wharf. In the midst of life we are in death. Leumas

Cardinal Athenaeum

ITS LIBRARY

The members of Cardinal Athenaeum Association may well be proud of their Library. While the books have not as yet been classified and subject indexed they are being loaned. Every week increases the average of books loaned.

The Library is open every Sat. from 3 to 5 p. m. There are about 1400 books, among which are the complete works of Dickens, Scott, Kipling, Reade, Mark Twain, Stevenson, Poe and a number by Kate Douglas Wigans, Burnett, McGrath, McCutcheon, Johnston, Moore, Churchill, White, Elliot, Fox, Rivers, Doyle, Sondon, etc.

There are books to please every one. The Anthology, consisting of 33 volumes, is a library in itself. Beacon Lights of History, by John Lord, are being eagerly read by some of the members. The Papers and Letters of Thomas Jefferson in seven volumes are beautifully bound. There are over 500 books on History, Biography, Poetry, Religion, and Science.

Of course only members are allowed to take books home, but it is the desire of the Association that the people make use of the Library for reference and as a reading room. The Outlook and Mothers Magazine are the only periodicals now but there will be more this year.

At the Annual meeting Jan. 21, 1911, the following officers and committees were elected for the ensuing year—

Mr. J. W. Minter, President, Major S. D. Freeman, 1st Vice President, Mrs. P. W. Hicks, 2nd V. Pres., Miss Bernice Machen, Secretary, Mrs. F. L. Jordan, Treasurer, Miss Bernice Machen Librarian, Misses Helen Freeman and Mabel Foster Assistants.
